Effective Date: April 6, 2009.

Attorney General's Certification

In accordance with State Government Article, §10-113, Annotated Code of Maryland, the Attorney General certifies that the following changes do not differ substantively from the proposed text. The nature of the changes and the basis for this conclusion are as follows:

COMAR 27.01.02.05-2A(9): Amended to clarify that the total area of existing and proposed lot coverage shall be delineated for each lot in the limited development area and the resource conservation area. The total area of lot coverage proposed for the resource conservation area and the total amount proposed for the limited development area are to be reported. This change is consistent with Natural Resources Article, §8-1808.3, Annotated Code of Maryland, which establishes lot coverage limitations for both limited development areas and resource conservation area lands. The additional information is readily available and should not impose an additional cost on parties subject to the regulation.
